BUCS Regatta

A grand total of 80 EUBC rowers, coxes and coaches descended upon the National Watersports Centre in Nottingham for BUCS regatta. On the first day, the Championship Lwt Women's 2x set down a strong benchmark placing second behind a strong Oxford Brookes crew, giving them a bye straight to the final. Some of our home-grown talent put on a show in the Novice 4+ and 4x. They fought some tight B finals with the 4+ putting down a big last 500 to pip Liverpool to the line by 0.6s. The Men's intermediate 8+ worked hard to secure a 2nd place finish in the B final. Josh Tyrrell raced a very mature B final of the men's intermediate Lwt1x, finishing 4th and gaining some valuable experience of racing in a smaller boat. The Women's Lwt 8+ finished 4th in a tight contest for the bronze medal with Bristol University. The highlight of the day was the silver medal won by the Lwt Women's 2x (pictured above), fending off the challenge from Edinburgh in the dying seconds of the race and claiming the first BUCS points of the regatta for EUBC.

The second day was just as exciting as the first. The Men's Ch4+ missed out on making the A final but left nothing on the water. Even after doubling up in the intermediate 8+, the Lwt Women made the A final in the coxless four but really struggled to maintain the boat speed and finished 6th. Two Women's 8s entered and after some really tough semi-finals, Exeter had two crews in the A final! The first 8+ finished 4th whilst the second 8+ finished a very respectable 6th. At their first ever regatta, the Women's Novice 4+ also performed well, finishing fifth. The Championship Lwt Men's 2x was fiercely contested this year, with a field full of international scullers. Seb and Gianmarco raced all the way till the line to finish fifth in the A final.

On the final day of racing, the Men raced a Championship and an Intermediate 2-. The former narrowly missing out on the A final after a dash for the line against a Goldie crew. The latter having a strong semi-final but not having the race they wanted in the A final and finishing 6th. A scratch intermediate Men's 4x also raced and got faster with each row together, culminating in a strong second half of the B final to finish off in 2nd place. It was another learning experience for the Novice Women's 8+ having a real tussle for the line finishing 2nd in the B final. For the Senior Women's, those racing in the Championship 4+ and subsequently split up into championship and intermediate doubles. The intermediate 2x narrowly missed out on the A/B semi-finals so decided to save themselves for the 4+ final. The championship 2x missed out on a spot in the final in a hotly contested repechage. Fatigue really set in by the time they reached the 4+ final as they finished 5th overall. Clinging onto our final chance at a BUCS medal, the Championship Lightweight Women's 4x did not disappoint. They had a strong start and managed to hold on to a silver medal which ended a successful weekend in Nottingham.
